A steering committee is being formed to oversee fellowship, teaching and ministry opportunities that engage the men in our church and community. If you have an interest in working with a small group of men to plan and execute men's events, please contact the church office.

Fall Connect Group Leaders and Host Homes

Fall Connect groups start after Labor Day and we are looking for Discussion Leaders and Host Homes. The fall session is entitled Gospel Shaped Living. This seven-week DVD/Discussion format is a seven-week exploration of what it means to be a distinctive community that shines like a light in the world. If you would like to lead a Connect Group or host a group in your home, please sign up on the sheet on the information table, or call the church office if you have any questions. Materials will be available soon!
