### Missionary of the Month

Phil & Angela Flowers

Philip and Angela are serving as missionaries in Bulgaria along with their two children, Daniel and Hannah. Since their arrival in August, they have been busy settling into their new home, purchasing and registering a car, enrolling the children in school, taking language classes at Economics University in Varna, and seeking opportunities to serve. Some of the ministry opportunities they have had in Bulgaria include: Philip works with a Bulgarian led college ministry and occasionally teaches their Bible study, and Angela is teaching music at a school as well as helping with the worship music at their local church. Please pray specifically for the following: The family as they learn the language, Angela as she attends a Women's Conference in Cyprus, Philip and Angela as they attend the SHARE education conference in Budapest, Hungary on February 23rd - March 3rd, Daniel and Hannah as they adjust to the culture and make new friends, the family's health as the flu and other illnesses are widespread during this season, logistical things to get done this Spring and Summer (get Bulgarian driver's license, start a foundation or business to get done some of the things they desire to do, and renewal of visas in the Fall).
